GRACE PERIOD

“Grace Period” means the period of time during a billing cycle when you will not accrue Periodic Rate Finance Charges on certain transactions or balances. There is no Grace Period for Balance Transfers and Cash Advances. If you pay in full this statement’s New Balance Total by its Payment Due Date and if you paid in full this statement’s Previous Balance in this statement’s billing cycle, then you will have a Grace Period during the billing cycle that began the day after this statement’s Closing Date on the Purchase portions of this statement’s New Balance Total.

During a 0% Promotional Rate Offer, 1) no Periodic Rate Finance Charges accrue on balances with the 0% Promotional Rate; and 2) you must pay the Total Minimum Payment Due by its Payment Due Date (and avoid any other “promotion turn-off event” as defined in your Credit Card Agreement) to maintain the 0% Promotional Rate.

** If a corresponding Annual Percentage Rate in the Finance Charge Schedule on the front of this statement contains a “**” symbol, then with respect to those balances: 1) the 0% Promotional Rate will expire at the end of the next billing cycle, and 2) you must pay this statement’s New Balance Total by its Payment Due Date to avoid Periodic Rate Finance Charges after the end of the 0% Promotional Rate Offer on those balances existing as of the Closing Date of this statement.

CALCULATION OF BALANCES SUBJECT TO FINANCE CHARGE

Average Balance Method (including new Balance Transfers and new Cash Advances): We calculate separate Balances Subject to Finance Charge for Balance Transfers, Cash Advances, and for each Promotional Offer balance consisting of Balance Transfers or Cash Advances. We do this by: (1) calculating a daily balance for each day in this statement’s billing cycle; (2) calculating a daily balance for each day prior to this statement’s billing cycle that had a “Pre-Cycle balance”; a Pre-Cycle balance is a Balance Transfer or Cash Advance with a transaction date prior to this statement’s billing cycle but with a posting date within this statement’s billing cycle; (3) adding all the daily balances together; and (4) dividing the sum of the daily balances by the number of days in this statement’s billing cycle.

To calculate the daily balance for each day in this statement’s billing cycle, we take the beginning balance, add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day’s daily balance, add new Balance Transfers, new Cash Advances and Transaction Fees, and subtract applicable payments and credits. If any daily balance is less than zero we treat it as zero.

To calculate a daily balance for each day prior to this statement’s billing cycle that had a Pre-Cycle balance, we take the beginning balance attributable solely to Pre-Cycle balances (which will be zero on the transaction date of the first Pre-Cycle balance), add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day’s daily balance, and add only the applicable Pre-Cycle balances, and their related Transaction Fees. We exclude from this calculation all transactions posted in previous billing cycles.

Average Daily Balance Method (including new Purchases): We calculate separate Balances Subject to Finance Charge for Purchases and for each Promotional Offer balance consisting of Purchases. We do this by: (1) calculating a daily balance for each day in the billing cycle; (2) adding all the daily balances together; and (3) dividing the sum of the daily balances by the number of days in the billing cycle.

PAYMENTS

We credit payments as of the date received, if the payment is 1) received by 5 p.m. (Eastern Time), 2) received at the address shown in the bottom left-hand corner of the front of this statement, 3) paid with a check drawn in U.S. dollars on a U.S. financial institution or a U.S. dollar money order, and 4) sent in the enclosed return envelope with only the bottom portion of this statement accompanying it. Payments received after 5 p.m. on any day including the Payment Due Date, but that otherwise meet the above requirements, will be credited as of the next day. We will reject payments that are not drawn in U.S. dollars and those drawn on a financial institution located outside of the United States. Credit for any other payments may be delayed up to five days. No payment shall operate as an accord and satisfaction without the prior written approval of one of our Senior Officers.

We process most payment checks electronically by using the information found on your check. Each check authorizes us to create a one-time electronic funds transfer (or process it as a check or paper draft). Funds may be withdrawn from your account as soon as the same day we receive your payment. Checks are not returned to you. For more information or to stop the electronic funds transfers, call us at the number listed on the front.

If you have authorized us to pay your credit card bill automatically from your savings or checking account with us, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us at least three business days before the automatic payment is scheduled to occur.

Billing rights are only preserved by written inquiry. To preserve your billing rights, please return a copy of this form and any supporting information regarding the merchant charge in question to:
Attn: Billing Inquiries, P.O. Box 15026, Wilmington, DE 19850-5026, USA.

PLEASE KEEP THE ORIGINAL FOR YOUR RECORDS AND SEND A COPY OF THIS STATEMENT.

To calculate the daily balance for each day in this statement’s billing cycle, we take the beginning balance, add an amount equal to the applicable Daily Periodic Rate multiplied by the previous day’s daily balance, add new Purchases, new Account Fees, and new Transaction Fees, and subtract applicable payments and credits. If any daily balance is less than zero we treat it as zero. If the Previous Balance shown on this statement was paid in full in this statement’s billing cycle, then on the day after that payment in full date, we exclude from the beginning balance new Purchases, new Account Fees, and new Transaction Fees which posted on or before that payment in full date, and we do not add new Purchases, new Account Fees, or new Transaction Fees which post after that payment in full date.

We include the costs for the credit card debt cancellation plan or credit insurance purchased through us in calculating the beginning balance for the first day of the billing cycle after the billing cycle in which such costs are billed.

TOTAL PERIODIC RATE FINANCE CHARGE COMPUTATION

Periodic Rate Finance Charges accrue and are compounded on a daily basis. To determine the Periodic Rate Finance Charges, we multiply each Balance Subject to Finance Charge by its applicable Daily Periodic Rate and that result by the number of days in the billing cycle. To determine the total Periodic Rate Finance Charge for the billing cycle, we add the Periodic Rate Finance Charges together. Each Daily Periodic Rate is calculated by dividing its corresponding Annual Percentage Rate by 365.

HOW WE ALLOCATE YOUR PAYMENTS

We will allocate your payments in the manner we determine. In most instances, we will allocate your payments to balances (including transactions made after this statement) with lower APRs before balances with higher APRs. This will result in balances with lower APRs (such as new balances with promotional APR offers) being paid before any other existing balances.

Payment Due Dates and Keeping Your Account in Good Standing

Your Payment Due Date will not fall on the same day each month. In order to help maintain any promotional rates, to avoid the imposition of Default Rates (if applicable), to avoid late fees, and to avoid overlimit fees, we must receive at least the Total Minimum Payment Due by its Payment Due Date each billing cycle and you must maintain your account balance below your Credit Limit each day.

Important Information about Payments by Phone

When using the optional Pay-by-Phone service, you authorize us to initiate an electronic payment from your account at the financial institution you designate. You must authorize the amount and timing of each payment. For your protection, we will ask for security information. A fee may apply. To cancel, call us before the scheduled payment date. Same-day payments cannot be edited or canceled.
